

2016 HUD NOFA for Continuum of Care (CoC) Program for HALS CoC
Annual Renewal Demand Amount - \$1,168,696.00

This year, must again rank projects into Tier 1 and Tier 2. This year, Tier 2 is 93% of the Annual Renewal Demand - \$1,086,877 is Tier 1 and Tier 2 is \$81,819.00

Amount available for CoC Planning: \$35,060.00

Amount available for Bonus/New Project: \$58,434.00

The HALS CoC Collaborative Agent – Somerset County Health Department will provide assistance to any agency who wants to submit a new or bonus project.

The deadline for submission of the full eSNAPS application for new and renewal projects is Wednesday, August 10, 2016

Below is taken from the 2016 HUD NOFA Competition:

3. In addition to grants for CoC planning and UFA Costs, CoCs may create new projects by using amounts available through the permanent housing bonus or by making funds available through reallocation. The following types of projects may only be created using funds that the CoC has made available through reallocation. Through the **reallocation process** CoCs may create the following types of new projects.

- a. CoCs may create new permanent supportive housing projects where all beds will be dedicated for use by chronically homeless individuals and families, as defined in 24 CFR 578.3.
- b. CoCs may create new rapid rehousing projects that will serve homeless individuals and families coming directly from the streets or emergency shelters, and include persons fleeing domestic violence situations and other persons meeting the criteria of paragraph (4) of the definition of homelessness.
- c. CoCs may create a new Supportive Services Only project specifically for a centralized or coordinated assessment system.
- d. CoCs may create a new dedicated Homeless Management Information System (HMIS) project for the costs at 24 CFR 578.37(a)(2) that can only be carried out by the HMIS Lead, which is the recipient or subrecipient of an HMIS grant, and that is listed on the HMIS Lead form in the CoC Applicant Profile in e-snaps.

4. CoCs may create new projects through the **permanent housing bonus up to 5 percent** of the CoC's FPRN for the following types of new projects:

- a. CoCs may create new permanent supportive housing projects that will serve 100 percent chronically homeless individuals and families, and
 - b. CoCs may create new rapid rehousing projects that will serve homeless individuals and families coming directly from the streets or emergency shelters, and include persons fleeing domestic violence situations and other persons meeting the criteria of paragraph (4) of the definition of homelessness.
- Because new permanent housing projects-permanent supportive housing and rapid rehousing-may be created through either reallocation or the permanent housing bonus, HUD may reclassify new permanent housing projects that a CoC has classified as reallocation or permanent housing bonus if the project would be ineligible for funding because the CoC exceeded either its reallocation or permanent housing bonus amount. New permanent housing projects will be evaluated using the same criteria regardless of whether the CoC has identified them as bonus or reallocation projects.
