

PRIVATE WELL OWNER WORKSHOP

Do you have questions about your private well or the water it provides?

- Where does the water come from?
- How is the well constructed?
- What maintenance is necessary?
- What local regulations apply?
- What should the water be tested for and how often?
- Are there financial resources for new wells or repairs?

January 17, 2019

6:00-7:30 pm

Wicomico County Library
122 S. Division St., Salisbury MD

This workshop is provided by the Southeast Rural Community Assistance Project, a non-profit organization providing water infrastructure support for rural residents. For more information contact Jean Holloway jholloway@sercap.org 302-387-1619
